RESEARCH EXPERIENCE

CURRENT POSITION Ph.D. student in *Physics*, **University of Padova**, Padova
Supervisor: Prof. Amos MARITAN

EDUCATION

1ST OCT 2015 - 26TH SEPT 2017 Master's Degree in *Physics*, **University of Padova**, Padova
Theoretical course of study
Thesis: "A physics approach to ecosystem dynamics"
Advisor: Prof. Amos MARITAN
FINAL GRADE: 110/110 *cum laude*

1ST OCT 2012 - 22ND JULY 2015 Bachelor's Degree in *Physics*, **University of Padova**, Padova
Thesis: "Curvature effect on patterning dynamics on spherical membranes"
Advisor: Prof. Enzo ORLANDINI
FINAL GRADE: 108/110

SEPT 2007 - JULY 2012 High school diploma, **Liceo scientifico "G. Castelnuovo"**, Florence
Final essay: "Esoplanetologia"
FINAL GRADE: 100/100

ATTENDED CONFERENCES, WORKSHOPS AND SCHOOLS

20TH-23RD APR 2018 **Quarta Conferenza Italiana degli Studenti di Fisica (4th Italian Conference of Physics Students)**
Department of Physics, University of Pisa
Title of the talk: *Fisica ed ecosistemi: il dilemma del rapporto stabilità-biodiversità (Physics and ecosystems: the dilemma of the stability-biodiversity relationship)*
[Website](#)

5TH-7TH APR 2018 **Stochastic Models in Ecology and Evolutionary Biology**
Istituto Veneto di Scienze, Lettere ed Arti, Venice
Title of the talk: *The role of metabolic trade-offs in the establishment of biodiversity*
[Website](#)

19TH FEB - 16TH MAR 2018 **Spring College on the Physics of Complex Systems**
International Centre for Theoretical Physics, Trieste
[Website](#)

7TH-13TH AUG 2017 **32nd International Conference of Physics Students**
University of Turin
Attended as *national delegate*
